“ Dixie and Jim Jeffries - Friend of family posted a condolence Our thoughts and prayers are with you. I'm so sorry we won't be hearing any more of Gary's jokes. He was a wonderful man and such a good husband to you, Sara. I finally found out why all the airplanes were full on Mon. and Tuesday. It was the end of Essence Fest and everyone was leaving the city. “ Patti Cooksey-Fisher - Friend posted a condolence Dear Sara and Family, I am so sorry to hear of Gary's passing. As your neighbor for many years, Sarah, I learned and experienced the meaning of neighbor and friend. You and Gary shared so much caring and support to us. I can still see Gary with his pick up stick cleaning the frangi-panni leaves from the patio. More importantly, I can still feel the strength and love you both gave so generously. I hope that during this time that you will feel great strength and love in your life. I will hold you and your family in my thoughts and prayers. Love, Patti

“ Lisa Dunn - Friend of the family posted a condolence Sara: I am so sorry for your loss. Gary worked with my father Bob Dunn for many years at Openaire Post Office. I remember going in with my Dad on Saturday's and Gary would let me "help" him sort the mail. I always looked forward to seeing him because he was so nice and always made me laugh. I know he will be missed by so many. My thoughts and prayers are with you and your family. God Bless!

“ Terri Parkes Headley - friend of family posted a condolence I'm so very sorry for your loss. I know what a rare and wonderful family you have always been and pray that those memories will comfort and strengthen each of you during this very sad time. Silly, but it's hard for me to think of you two as adults, Deb & Linda. I still see these two adorable little blond-headed girls calling Mrs Wrech "Mia". You will all be in my thoughts and prayers. Take care of each other. Love, Terri Parkes
