“ *Linda Smith Moody - great niece (Smith/Prescott family) posted a condolence To all of Aunt Nellie Faye's famly and friends...I offer my deepest sympathy in the loss of your loved one. I have many fond memories of Aunt Nellie Faye and Uncle Tony. She was a hard working woman. I regret that travel has been difficult and I didn't get to see her as often as I would have liked (along with many others in the family). My thoughts are with you...God Bless. “ *James (Jimmy) Smith - Grand Nephew posted a condolence I send my most sincere sympathy to Aunt Nellie Faye's children, grand children and great grand children. Aunt Nellie Faye helped many people throughout her life and she did some very appreciated favors for my parents. Although we didn't see each other very often, she was always on our minds and in our hearts. My Mother was especially fond of Aunt Nellie Fays and Uncle Tony and said many times she considered all of the Prescotts to be her family. My Father once said that Uncle Tony might be a Salerno, but he was still a Prescott. I know Aunt Nellie Fays is at peace and she will be greatly missed. Our Grand Old Family is passing away, but a fine new one is taking its place.*
